Rasoi is an excellent restaurant. I am lucky to live in an area with so many great Indian restaurants but after trying them all I am always pleased to return "home" to Rasoi. The food is always fresh, cooked to order with your level of spiciness and the staff is top notch. It has a homey feel to it and you are always welcomed as a true guest. They are sort of hidden away off RT 9 and are easy to miss if driving by. I recommend making the stop, you won't be disappointed. The prices are reasonable and they even offer coupons with the take out orders!! Enjoy!

We have been eating here for years. The food is excellent and the service friendly. This is a very friendly reasonably priced place.
